SAINT CLOUD AREA ROLLER DERBY

S.C.A.R. Derby is the one, the only, the original women's flat track roller derby league in Central Minnesota. S.C.A.R. was formed in 2011 with the goal of bringing the challenging, exciting, and empowering revival of modern roller derby to the people of Saint Cloud, MN and its surrounding areas. We want you to experience this fast-paced, hard-hitting sport for yourself! We are excited to grow our league: skaters, referees, non-skating officials, volunteers, sponsors, and fans all make up the fabric of S.C.A.R. Derby - a fun and inclusive community that supports each other on and off the track. In addition to being talented and tenacious athletes, the skaters of S.C.A.R. are dedicated to giving back to the community through charity partnerships and fundraisers.

UPCOMING EVENTS:

Jammers wear a star on their helmets and are the scoring players for each team. The jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer to pass the opposing teams Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

The Pivot is the Blocker that wears the stripe on their head. They are the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

Two 15-Skater teams play two 30-minute periods. Each period consists of multiple “jams”. Each jam is an opportunity for both teams to score points and ends after 2 minutes or when the Lead Jammer calls off the jam.

It is legal for a skater to block opponents with their hips, rear, and shoulders. It is not legal to block the back, to trip, elbow, or to back-talk officials. Players committing illegal actions are penalized 30 seconds in the penalty box and their team must play short for that time.

JAM START

Each team fields 4 Blockers and 1 Jammer. Blockers start anywhere between the Jammer Line and the Pivot Line, 30 feet (9.15m) away. Jammers start behind the Jammer Line. Play starts with a single whistle blast.

FIRST PASS

During the first pass, the first Jammer to pass all skaters in the pack legally is Lead Jammer. Lead Jammer status is signaled by the officials blowing two short whistle blasts and pointing to the Lead Jammer.

SECOND PASS

In subsequent passes, Jammers earn 1 point for each opposing player they pass legally. The opposing Blockers will try to stop the Jammer, while helping their own Jammer through the pack.
